

GM Refuses a Surprise Offer From Union

By A. F. MAHAN
DETROIT (AP) — General Motors Corp. today rejected a surprise proposal by the United Auto Workers to submit their deadlocked contract negotiations to a three-man arbitration panel.

The union's proposal, made as the contract talks went into their final 24 hours before the 10 a.m. Wednesday strike deadline, called for the arbitration board to decide the major issues.

GM Vice President Louis G. Seaton announced GM's rejection of the proposal almost immediately. He termed it "a loaded proposal — heads I win, tails you lose."

By A. F. MAHAN
DETROIT (AP) — Walter P. Reuther went into a marathon bargaining session with General Motors Corp. today declaring there will be a strike of his United Auto Workers union at 10 a.m. Wednesday unless GM comes up with a new contract offer.

Reuther, president of the UAW, said: "We have no intention of extending the deadline."

GM's chief negotiator, Vice President Louis G. Seaton, indicated he was carrying no new offer into the bargaining room. He said if the negotiations follow the pattern of the past he and Reuther will be in continuous session for at least the next 25 hours.

Asked about the prospects of a new company offer, Seaton said: "I indicated certain elements of flexibility in our offer of Aug. 22. We'll talk about what we have on the table and they will talk about their proposals."

Reuther declared "nothing of real significance has been accomplished" since the start of negotiations June 28.

The UAW chief said he was insisting that General Motors match the extra benefits provided in the American Motors Corp. settlement of last week.

In the absence of those basic provisions of the American Motors agreement there will be a strike at 10 a.m. Wednesday, Reuther said.

Reuther said he believed there is still adequate time to reach an agreement. "What's been lacking is the will to do this job."

On side or the other must hinge or a strike is certain. A walkout would idle 325,000 GM production workers in 71 cities stretching from coast to coast.

Reuther was standing on his demand that GM give the wage and fringe benefit improvements granted by American Motors Aug. 26 in a new agreement that includes profit sharing. The UAW backedtracked on a demand GM share profits.

The Big Three—GM, Ford and Chrysler—made a parallel three-year offer five days before the American Motors agreement was announced. GM Vice President Louis G. Seaton said it would add \$1,000 over three years to pay, checks of GM workers.

Reuther rejected the offer as "woefully inadequate" and the union claimed that GM workers, instead of gaining \$1,000, would lose \$89 in the three years.

Since the union picked GM as its target in shooting for a pattern-setting contract, it has let Ford and Chrysler negotiations slide.

Contracts with the Big Three ran out Aug. 31, but were extended on the last-minute request of the Federal Mediation and Conciliation Service. The UAW said, however, it wouldn't work an hour past 10 a.m. Wednesday at GM without a new contract.

IN BERLIN—Tank-supported United States troops in West Berlin infiltrate a mock-up town near the Soviet zone border during maneuvers.

5,000 Fight Forest Fires in California

SAN FRANCISCO (AP) — A force of 5,000 men fought for the fourth day today to contain an outburst of forest, range and brush fires the length of California.

More than 150,000 acres have been burned over since Saturday in 170 fires that flared from San Diego in the south more than 700 miles to the north.

Forestry officials said damages would run to millions of dollars. More than 150 structures, including a high school gym, private homes and a saw mill, have been gutted. Five persons died from fire-connected causes. The victims included two motorists, the pilot of a chemical bombing plane and two persons who died from heart attacks.

The Russian River resort area, 60 miles north of San Francisco, was hard hit as 6,000 forest acres burned around the town of Guerneville. About 80,000 acres of brush and range land were blackened to the south and east near Travis Air Force Base.

Two areas still threatened today were around Kelsey and Sutter Creek in the Mother Lode country.

Kelsey was hit Saturday, when the fire roared through the mountain town from its sawmill starting point and burned out seven houses. Monday the flames came back, driven by a perverse wind, and burned out three more. To date, 10,000 acres have been burned.

In Amador County south of Kelsey, a fire that already has engulfed 30,000 acres threatened the town of Yuba City, where 500 fire fighters fought for cooler temperatures and a break in the wind that has blown for three days.

Farther north, 100 San Quentin prisoners were thrown into a fight to stamp out a blaze near Chico, now reported 60 per cent controlled after burning over 6,000 acres.

In the south, Mexicans, Indians and forestry fire fighters joined forces to battle two San Diego area blazes which have seared about 2,000 acres and destroyed several homes.

Fatally Wounded

HOT SPRINGS, Ark. (AP) — Mrs. Willie Mae Green, 31, wounded by a shotgun blast Saturday night, died Monday in a hospital. Her husband, Delbert R. Green, 33, was held on an open charge. Police said she was shot twice in the face as she sat in a car.

Khrushchev Was Very Nervous

MOSCOW (AP) — A tank of compressed air exploded with a crack like a pistol shot while Premier Khrushchev was touring the French exposition today.

Khrushchev jumped and cried, "Oy! Oy!"

Security men guarding the premier looked terrified.

Tension eased when they found out what it was.

Russians Tribute American Red

clear tests in the atmosphere as MOSCOW (AP) — The body of William R. Foster, veteran U. S. Communist leader, lay in state today in the Hall of Columns in Moscow's Trade Union House.

The 80-year-old American Red, three times his party's candidate for president of the United States, died in a Moscow sanitarium Friday.

Burial arrangements have not been announced.

Denounces Plan by U. S., Britain

LONDON (AP) — Moscow Radio today denounced the proposal of President Kennedy and Prime Minister Macmillan to ban nuclear tests in the atmosphere as a maneuver to justify the underground tests.

The home service broadcast was the first to inform the Soviet people of the appeal by the two Western leaders.

Fighting Continues in Viet Nam

SAIGON, South Viet Nam (AP) — Fighting was reported continuing today in the mountainous province of Kontum near the Vietnamese-Lao border where two government outposts were attacked Friday by two Communist Viet Cong battalions.

Negro Teenagers Fire Shotguns

LITTLE ROCK (AP) — A carload of Negro teenagers fired 30 or 40 shots from pistols and shotguns during a Negro dance at Gilman Park here Monday night, police said.

Two persons were slightly wounded, officers said, but several hundred Negroes kept dancing during the outburst.

Joshua Shredie, a Negro who had leased the skating pavilion for the dance, reported the incident to police.

Nonaligned Nations Urge Peace Moves

BELGRADE (AP) — The conference of 25 nonaligned nations drew up a joint appeal today to President Kennedy and Premier Khrushchev to take urgent new steps to ease the cold war.

Although still divided on a number of issues raised at their conference, the leaders of the conference delegations agreed on a message to be sent to Kennedy and Khrushchev. It was expected to appeal for them to meet once more in an effort to ease tension over Berlin and to seek progress toward disarmament.

Reports circulated that the conference would send special delegations to Moscow and Washington with the messages. One persistent report said Prime Minister Nehru of India and President Kwame Nkrumah of Ghana would take the message to Khrushchev, while President Modibo Keita of Mali and either President Sukarno of Indonesia or President Arafat of the United Arab Republic would go to Washington.

Nehru already has been delegating by the conference to seek Soviet agreement to the U.S.-British proposal to ban nuclear tests on a trip he scheduled prior to coming to Belgrade.

The conference was scheduled to end today, its fifth but a committee trying to draft a joint communique of agreed policies worked until 5 a.m. and still had a third of its work to do.

One Asian member of the drafting committee said the committee received and rejected a proposal to recommend that all 25 nations at the Belgrade conference recognize the Communist East German government. The committee member said the group had approved a draft statement on Germany, Laos and Mauritania "and some other subjects."

The communique was expected to contain many compromises. Since it must be acceptable to nations ranging from monarchist Ethiopia to Communist Yugoslavia, from anti-American Cuba to pro-Western Cyprus.

Nehru led the faction that wanted to emphasize the war threat and the need for East-West negotiations, preferably at the summit.

But the majority of delegates, including President Nasser of the United Arab Republic and Cuban President Osvaldo Dorticos, wanted to place the main stress on colonialism. Their fire was directed most at the French in Algeria and the Portuguese in Angola.

U. S. Tourist Sentenced to Jail in Russia

MOSCOW (AP) — A Soviet military court in Kiev today sentenced American tourist Marvin William Makinen of Chassell, Mich., to eight years in prison on espionage charges.

The Soviet government paper Izvestia reported Makinen's conviction and sentencing after a two-day trial. It said Makinen had given the court a full confession of his spying activities.

MOSCOW (AP) — A young American tourist, described as a student in West Berlin, has been arrested in the Soviet Ukraine and charged with spying. The Soviet government said the case proves its charge that West Berlin is a center for spies against the Communist countries.

The Soviet news agency Tass said Marvin William MacKinnon was arrested while photographing military installations in the Ukraine July 27 and will be tried there as a spy.

The maximum penalty for conviction of espionage is death.

There was no indication when the trial will be held or why the Soviets took more than a month to disclose the arrest. A protest was handed to the U. S. Embassy in Moscow Monday.

The State Department said the Russians reported MacKinnon was a native of Chassell, Mich. Presumably they meant Chassell, a town in the Upper Peninsula.

Tass said MacKinnon was a student at West Berlin University when he was enlisted by U. S. intelligence agencies and sent to the Soviet Union on special assignment.

He traveled by car through Hungary, Czechoslovakia and the Ukraine, Tass said, collecting intelligence information, photographing defense installations and taking detailed notes.

"A body belt in which MacKinnon kept many films, a notebook and a copybook with intelligence records were seized at the time of his arrest," the report said.

This was the first Soviet accusation of spying against an American this year. Last summer a number of American tourists were detained and accused of spying, and many had films confiscated. Some were expelled without much formality, but Mark I. Kaminsky of Edwardsville, Ill., was sentenced to seven years in prison and then expelled on charges of spying in a border area off limits to tourists.

He didn't give a direct answer to the question.

Faubus criticized Moore and Sen. Marshall Shackleford of El Dorado Saturday for joining what the governor called an obstructionist bloc.

He mentioned that Moore might need help in keeping Texarkana's tax concessions.

For years Texarkana was exempt from Arkansas sales tax because Texas had no such tax. Texas recently enacted a limited two per cent tax and Texarkana, Ark. merchants began collecting the same tax Sept. 1. The sales tax is three per cent in Arkansas.

Faubus said today he felt Moore should spend his time lobbying for the Texarkana concessions instead of voting against appropriations backed by other senators.

"You recall how Jack Clark (former senator, defeated by Moore) would lobby all the time to keep that tax off Texarkana," Faubus said.

"Now if Moore started out to lobby, look at the position he would be in after joining the obstructionists."

Tear Gas Sends Reds to Cover

BERLIN (AP) — An American patrol, sprayed by East German police with a high pressure water hose Monday night, answered with tear gas grenades that sent the Communists scurrying.

The incident on the sealed-off sector border at Heideberg Strasse was reported by West Berlin police.

The Eastern police apparently felt the patrol—an officer and two soldiers in a Jeep—was too close to the walled frontier and showed their displeasure by opening up with the water hose. "The Americans tossed two grenades across the border and the Communist police ducked into a doorway until the smoke lifted."

Postmasters Are Confirmed

WASHINGTON (AP) — The Senate has confirmed three Arkansas postmasters nominated by President Kennedy.

The three are Jessie J. Lowrie as postmaster at Luxora; James E. White at Saint Joe and Gerald Sale at Piggott.

Red Russia Explodes Third Nuclear Device in the Current Series

Faubus Hints Retaliation Against Senators Who Did Not Vote Way He Wanted

LITTLE ROCK (AP) — People represented by a legislator cannot help suffering for his mistakes, Gov. Orval E. Faubus said today.

Faubus made the remark when he was asked at a news conference if he planned to interfere with Texarkana's sales tax situation because Sen. John O. Moore of Texarkana voted against some of the governor's appropriations bill in the special session last week.

He didn't give a direct answer to the question.

Faubus criticized Moore and Sen. Marshall Shackleford of El Dorado Saturday for joining what the governor called an obstructionist bloc.

He mentioned that Moore might need help in keeping Texarkana's tax concessions.

For years Texarkana was exempt from Arkansas sales tax because Texas had no such tax. Texas recently enacted a limited two per cent tax and Texarkana, Ark. merchants began collecting the same tax Sept. 1. The sales tax is three per cent in Arkansas.

Faubus said today he felt Moore should spend his time lobbying for the Texarkana concessions instead of voting against appropriations backed by other senators.

"You recall how Jack Clark (former senator, defeated by Moore) would lobby all the time to keep that tax off Texarkana," Faubus said.

"Now if Moore started out to lobby, look at the position he would be in after joining the obstructionists."

WASHINGTON (AP) — President Kennedy held the door open Tuesday for Soviet acceptance of his proposal to ban nuclear weapons testing in the atmosphere despite the Soviet Union's Monday explosion of a nuclear device, her second test in four days.

The new shot in central Asia was announced by Dr. Glenn T. Seaborg, chairman of the Atomic Energy Commission. Seaborg said it had a force "in the low kiloton range" and was fired in the atmosphere.

Administration officials said here the development could not be regarded as "encouraging" to U.S. and British hopes that Russia would accept the proposed test ban limitation. Nevertheless, the White House and state department declared the new explosion was not an answer to the proposal.

At Hyannis Port, Mass., Kennedy, taking a Labor Day weekend rest, cut short a cruise on Nantucket, said to return to his headquarters when word of the AEC report reached him. Andrew Hatcher, assistant White House press secretary, then said the United States still hopes that the proposed restriction will be accepted by Soviet Premier Khrushchev.

In Washington, the state department took the same position and Press Officer Joseph Itop declared the latest Soviet nuclear detonation "appears to be an unrelated event in view of the time element."

The time element was this: Last Wednesday, Moscow announced that after almost three years of a U.S.-British-Soviet moratorium on nuclear testing the Soviet government had decided to resume tests.

On Friday, the AEC announced that the first shot had been fired, although Moscow made no report of it at all.

Sunday, Kennedy and British Prime Minister Harold Macmillan formally proposed to Khrushchev that the three nuclear powers agree to ban further bursts in the earth's atmosphere. They set next Saturday as a deadline for Khrushchev's reply.

Thus the test firing Sunday morning, as reported by the AEC, came within 24 hours after the U.S.-British proposal was made.

Rain Dampens Sections of the U. S.

By THE ASSOCIATED PRESS
Rain dampened broad sections from coastal areas of Washington to the Atlantic seaboard today in the wake of stormy weather over the long Labor Day weekend.

Warm and humid weather continued in most of the eastern quarter of the country but it was cool again in the Rockies, hit by record snowfalls over the weekend. Up to 18 inches of snow fell in the Colorado mountains.

Torrential rains drenched areas in Texas, with up to eight inches in the Abilene and San Angelo forced from their homes by flood water in Abilene. The third tornado in two days hit in Texas Monday, causing some property damage as it swept the south central part to the east of San Antonio.

Rain fell during the night across a belt from the central Rockies through the plains and into the middle Mississippi Valley. Rain also splashed the lower Great Lakes region and the Atlantic Coast states and in the West along the Washington coast. Fairly heavy rain was reported in parts of the Carolinas.

Temperatures ranged from the 30s in the Rocky Mountain region to 84 at Laredo, Tex. Some 30s were reported in the extreme South but it was fairly cool in the extreme northern part of the Great Lakes region, with readings in the 40s and 50s.

Jack's Newsstand is now doing business in its new home . . . just across the street from the old location.

Dr. John McClanahan has resigned as pastor of the First Baptist Church here to accept a similar position at Blytheville . . . the resignation is effective Sept. 17.

Quake Rocks the Coast of Greece

ATHENS, Greece (AP) — An earthquake rocked the Greek island of Euboea today, damaging a few houses in the capital city of Chalkis. No casualties were reported. Euboea lies about 40 miles northeast of Athens, which also felt the brief tremors.

Air Corridor Traffic a Bit Jittery

By THOMAS A. REEDY
BERLIN (AP) — The three Western airlines flying to West Berlin are growing jittery over the Soviet and East German Communist threats to control the three air corridors they have been using for almost 16 years.

Pan American, British European Airways and Air France are pondering how long they can continue to fly to airfields in the Communist-surrounded city.

East Germany's Red regime, backed by the Soviets, has made threatening noises and even suggested this civilian travel be directed to their own East Berlin airport, Schoenefeld.

The men who fly the planes say the Communists could control the corridors — and force their companies to stop flying — without using fighter planes.

The East Germans could break into the radar navigation beam, creating a hazardous blank for the pilot landing or taking off. Or the Soviets could withdraw their personnel from the four-power air safety center that polices the corridors. That would turn the air over Berlin into something of a jungle.

In either case, said one flying officer, the safety hazard would be too great for the companies to continue flying.

Flying to Berlin already is tricky enough, the pilots contend. They are forced to fly no higher than 10,000 feet and inside a corridor that gives no room for error.

Berlin is a foggy area in November and December. That is the period this year when the Soviets claim they are going to solve the German problem with a peace treaty. The East Germans say they then will be the arbiters of traffic to West Berlin — by land, sea and air.

Washington, the state department took the same position and Press Officer Joseph Itop declared the latest Soviet nuclear detonation "appears to be an unrelated event in view of the time element."

The time element was this: Last Wednesday, Moscow announced that after almost three years of a U.S.-British-Soviet moratorium on nuclear testing the Soviet government had decided to resume tests.

On Friday, the AEC announced that the first shot had been fired, although Moscow made no report of it at all.

JFK Opens the Door to Reds to Ban Tests

WASHINGTON (AP) — The Atomic Energy Commission announced today that the Soviet Union had detonated a third nuclear device in its current series.

The AEC said the latest explosion was "in the low to intermediate range."

A spokesman said in answer to questions that the test was conducted "in the same general area" as the first two, and that it was set off in the atmosphere.

By JOHN M. HIGHTOWER
WASHINGTON (AP) — President Kennedy held the door open Tuesday for Soviet acceptance of his proposal to ban nuclear weapons testing in the atmosphere despite the Soviet Union's Monday explosion of a nuclear device, her second test in four days.

Japs Protest Russian Tests

TOKYO (AP) — A column of 150 Japanese women made an orderly march into the Soviet Embassy compound today to protest the new Soviet nuclear tests announced by the United States.

They were met with a "no comment" from 2nd Secretary Aleksei I. Senatorov, who declared the embassy had not been informed by the Soviet government of such tests.

The women represented the all-Japan Women's Federation.

Deaths From Traffic Short of Estimate

HOLIDAY DEATHS BY	By THE ASSOCIATED PRESS
Traffic	380
Boating	22
Drowning	69
Miscellaneous	69
Total	529

The pace of traffic deaths on the nation's highways slackened during the closing hours of the long Labor Day weekend and today appeared likely to fall short of the preholiday estimate of 420. Safety experts said there was a possibility the total might be under 400 and the lowest since the traffic death toll of 364 in the 1954 Labor Day weekend. However, related reports may boost the total.

The count for the 78-hour holiday period, from 6 p.m. Friday to midnight Monday, showed 380 persons lost their lives in motor vehicle accidents. Other accidents killed 22 in boating, 58 in drownings and 69 from miscellaneous causes, an over-all toll of 529. The National Safety Council said it appeared certain that the toll would not reach the 420 the council had estimated before the holiday. The council said it also appeared likely that this year's total would be lower than the 415 killed in traffic accidents in the 1960

What is held to be the first Boy Scout troop in America was organized in Pawhuska, Okla., in May, 1909. Personnel of the troop, together with its own drum and bugle section, is pictured with its founder, Rev. John Mitchell. Before settling in Oklahoma, Rev. Mitchell had been chaplain for Sir Baden-Powell, founder of the Scout movement in England. Two members of the troop still

live in Pawhuska: Walter Johnson, former state commissioner of public safety, and Pawhuska's Mayor Joe McGuire. Rev. Mitchell stressed: "Do a good deed daily." Johnson recalls: "We wore out all the old ladies in Pawhuska, pushing them from one side of the street to the other." The troop received its charter shortly after the Boy Scouts of America was organized in 1910.

Reports New Crisis in Brazil Settled

BRASILIA, Brazil (AP) — The presidential press office announced the latest crisis blocking Joao Goulart's assumption of the presidency has been solved and he will fly to this capital today.

By ROBERT BERRELLE

BRASILIA, Brazil (AP) — An air force rebellion today blocked Joao Goulart's path to the presidency and plunged Brazil back into more political confusion.

Stunned congressmen routed out of bed for an extraordinary 17-minute postmidnight session were given the chilling news that air force dissidents apparently were determined to shoot down Goulart's plane should he try to reach this hinterland capital to be sworn in as president. Acting President Ranieri Mazzilli telephoned Goulart in his southern stronghold of Porto Alegre advising him not to fly to Brasilia today. Mazzilli said the vice president's safe arrival could not be guaranteed.

Goulart had made plans to fly here to be sworn in after the nation's three military chiefs agreed to let him become a figurehead president under a new parliamentary system vesting the real power in a prime minister elected by Congress. It had been expected that Goulart would be inaugurated sometime this week to succeed Janio Quadros, whose resignation in a huff Aug. 25 touched off the prolonged crisis and brought the nation close to civil war. The three service chiefs had blocked Goulart's succession, contending his leftist tendencies would open the way to Communist turmoil. They yielded Sunday night.

Word of the airman's revolt came from Senate President Auro Moura Andrade, who told Congress Air Minister Grum Moss had said he no longer had control of his men. Andrade said the revolt was discovered when he and members of Goulart's Labor party went to the Brasilia airport to fly to Porto Alegre so they could bring the vice president back to Brasilia. Goulart, waiting in Porto Alegre for the turmoil over his succession to resolve, issued a statement earlier Monday night that he would fly to Brasilia to take over the presidency. But he gave no clear indication whether he was willing to serve as a figurehead only.

Fire Guts Business

DARDANELLE, Ark. (AP) — Fire destroyed the Tri-County Motor Co. in the business district here Monday. Damage was estimated by owner R. E. Warren at more than \$25,000. The building was in a block by itself and other buildings were not threatened.

three-day Labor Day holiday. The record death toll for a Labor Day weekend is 461 in 1951. The lowest traffic toll for the holiday weekend in the postwar period was in 1946. The council said traffic deaths for a nonholiday weekend at this time of year would be 330. However, an Associated Press survey, made for comparative purposes in a 78-hour non-holiday period from Aug. 13 to Aug. 21, showed 330 traffic fatalities. The survey also showed 14 deaths in boating accidents, 47 drownings and 97 killed in miscellaneous type accidents, a total of 548.

Bohlinger Is New Justice

LITTLE ROCK (AP) — Gov. Orval E. Faubus today appointed Neill Bohlinger of Little Rock, general counsel for the state Highway Department, to Arkansas state Supreme Court.

The 77-year-old Bohlinger succeeds Justice J. Seaborn Holt, who retired effective Monday after 23 years on the court.

Bohlinger will serve until after next year's elections, when voters will choose a new justice.

Faubus said he first offered the position to William J. Smith, his chief legislative adviser, but that Smith turned it down because he didn't want to leave his law firm for the time required.

Faubus said that Bohlinger had been in state governmental service in various capacities for many years and added that service on the court would be "sort of a crowning experience."

Rivals Argue Charges in Berlin Fuss

By THOMAS A. REEDY
BERLIN (AP) — Soviet and U.S. commandants argued at a meeting today over a Communist complaint that could heighten the Red threat to West Berlin's air communications.

Maj. Gen. Albert Watson II, the U.S. commandant, sharply contradicted a charge by Col. Andrei I. Solovoyev, that American officials supported West Berliners who tried to interfere with a car taking Soviet officers to the four-power air safety center.

Gen. Watson "emphatically" stated these allegations were based on erroneous information and that every precaution was being taken to enforce law and order in the U.S. sector," the U.S. general's office said.

The flurry arose as the three Western civilian airlines flying to West Berlin grew jittery over a series of Communist threats to control the corridors they have been using for almost 16 years.

The statement by Gen. Watson's office reported Col. Solovoyev asked for the appointment. It said the Soviet commandant's remarks were much the same as those distributed Monday by ADN, the news agency of Communist East Germany.

The American statement added that what Col. Solovoyev actually said had "essential differences in tone." It was not made clear whether the tone was sharper or more conciliatory.

Col. Solovoyev mentioned what Gen. Watson's office called "the strange fact of the premature press release." But he gave no reason for it.

Gen. Watson rejected the Soviet statement that West Berlin lies on the territory of the East German government and that the satellite regime has authority over it. He emphasized that the United States holds the Soviet Union fully responsible for what goes on in East Berlin.

The air traffic center, the only Berlin occupation agency in which the Russians are still cooperating with the Americans, British and French, is located in the U.S. sector.

The Soviet commandant charged that West Berlin demonstrators, whom he called rowdies, twice hindered Soviet military personnel on their way to the center. American officials were accused of being accomplices in the alleged molestation.

Little Rock has 300 miles of paved streets.

Facts of Life in Areas of Arkansas

By BOB HARING
Associated Press Staff Writer

When North Little Rock's high school band gives its annual concert next spring, it will feature a composition written especially for the program.

And the composer—one of the top writers of serious band music—will be on hand to direct the work.

The band has commissioned Clifton Williams, a native of Little Rock and a noted composer of band music, to write a piece especially for the spring concert.

Williams also will give the band 5 per cent of his royalty on sale of the music. That's half the money he gets.

The band will use the royalties plus other funds it raises to pay the \$500 fee for the work—and to commission another score.

Williams is writing a three-movement score, but said he won't pick a name for it until after it is delivered to the band in January.

If you've been planning an alligator safari to south Arkansas, forget it. The Game and Fish Commission has ruled out hunting of 'gators.

The commission set a season for alligators last week, but it's a permanently closed season. The action was taken to protect the critters.

Joe McAnnally of Pecos, Tex., borrowed \$10 to buy a pair of boots to wear while working in the oil fields. He repaid the debt, too, with thanks to the lenders. J. E. Tucker of Brister.

Tucker said he'd forgotten the

Dallas Plans to Integrate Lower Grades

By RONNIE THOMPSON

DALLAS, Tex. (AP)—The Dallas school system plans to integrate eight elementary schools in widely scattered sections of the city, Supt. W. T. White announced today.

White said parents of a Negro children involved have been told to instruct their children to enter the front doors "just like any other student" Wednesday at 8:30 a.m.

The superintendent, in a press conference, said "We want this to be a normal day of school. A lot of flash bulbs popping and television cameras grinding will only disrupt the proceeding."

He said reporters and photographers will be admitted to campuses but "We draw the line at the door."

Dallas was the last remaining United States city of 500,000 or more in the 1960 census which maintained public school segregation. The previous largest was Houston, Tex., which integrated in 1960.

The Dallas School Board decided early this year to end six-years of litigation over segregation.

Federal courts approved the Dallas plan of integrating one grade a year, beginning with the first grade.

Dallas has 124 elementary schools. An estimated 14,000 children will attend school for the first time this year. About 3,100 of the first graders are Negro.

Board to Decide on Tech School

LITTLE ROCK (AP)—The state Board of Education will decide at an Aug. 11 meeting whether to ask Gov. Orval E. Faubus to include \$275,000 for a vocational technical school in his call to a second special session of the legislature.

Education Commissioner Arch Ford said today he would put the matter to the board. Faubus previously had indicated he might include the appropriation in the call.

A vocational technical school bill passed the House in last week's special session, but fell two votes short of approval in the Senate. Ford had no comment on an effort by some legislators to get \$2 million for a teacher salary bonus during the last session. The teacher bonus was not in Faubus' call. "I don't see where there's \$2 million left," Ford said.

The Legislature appropriated all but \$692,000 of available surplus and reserve funds.

Going back to school is a happy event for some youngsters, but there are those reluctant to end the pleasant summer vacation.

MISS UNIVERSE — Marlene Schmidt, 24, is a refugee from East Germany. The Soviets claim that she won the Miss Universe title only to spur a flood of East Germans west. She doesn't agree; she says her winning was aboveboard.

Contestants Pose in Swimsuits

ATLANTIC CITY, N.J. (AP)—The 55 contestants in the 1962 Miss America pageant got more in line with the weather today—they donned swimsuits and posed for pictures.

Monday, the girls, representing all 50 states, Puerto Rico, Canada, New York City, Washington and Chicago, wore wool suits on a hot, humid day and officially registered for this year's pageant.

The climax will come Saturday with the selection of a successor to Miss America 1961 — Nancy Anne Fleming of Montague, Mich. Frances Jane Anderson of Pine Bluff is Miss Arkansas.

Driver Finds His Upper Plate

LEICESTER, England (AP) — Every time a No. 28 bus passed along Clarendon Park Road Monday it slowed to a walk.

The driver craned out of his window.

The conductor peered from his platform.

On the fifth trip the conductor, Michael Peers, gave a shout and hopped off the bus. From the gutter he picked up the upper plate he had coughed out earlier in the day.

"I've only had them six weeks and I'm not quite used to them," said Peers. "I'll be more careful when I cough in the future."

Chas. Coburn Worked at Playing Hard

By JAMES BACON
AP Movie-TV Writer

HOLLYWOOD (AP) — The will of the late Charles Coburn contained a classic understatement: "I am content with the knowledge that I have lived."

The 84-year-old actor, until he married a widow more than 40 years his junior last year, was one of Hollywood's amazing swingers.

Once I spotted him in Las Vegas at 8 a.m. He was with a couple of showgirls in their early twenties. Charlie was wide awake and the girls were half-dead.

Coburn called me over. "Hey, Jim, where can you go around this town at 8 a.m. Everything's folded up."

One of the showgirls could do nothing but moan.

The other pleaded:

"Take him with you. He's killing us. He hasn't stopped since the cocktail hour yesterday. He's taken us to every joint in town."

Like Humphrey Bogart, he played hard but he also worked hard. No one was more professional on the set than Charlie. He couldn't stand actors in their sixties allowing themselves to go to pot.

Sex appeal, he always said, was like good scotch. It improved with age.

Charlie was a night club owner's dream. He came early and stayed late. In his prime, late seventies and early eighties, he hit all the openings—and danced with all the girls.

No waltzes either? He jitterbugged and he could cha cha like a Cuban revolutionary—and never missed a dance. Often he would complain if the band played too much slow, dreamy music.

Once he told me the two secrets of his amazing vitality.

"I believe a man is a damn fool if he takes a drink before 40 and a bigger damn fool if he doesn't take plenty after he's 40."

"I never fight sleep. When I feel sleepy, I sleep no matter where I am."

I never saw him asleep in a night club but once after his recent marriage to the widow of an opera star. I watched Charlie snooze comfortably through the symphony concert.

After the concert he was the life of the party at a swinging soiree in Beverly Hills.

"I know when to save myself," he smiled.

After a short wedding trip to the Ozark Mountains and a brief visit in Ellettsville, the couple is residing in Little Rock.

141 Pound Melon at Batesville

BATESVILLE, Ark. (AP)—Martin Grady of nearby Evening Shade raised a watermelon that weighs one pound more than he does.

The melon scaled 141 pounds. Last year, the Associated Press wirephoto network carried a picture of a 123-pound melon raised by Grady, retired postmaster at Evening Shade. He got more than 200 letters from all over the world and mailed out seed to dozens of persons who asked for it.

Smokey Says:

MISTER CARELESS CITIZEN!

Who ME?

Yes, it could be you! Just slipping a cigarette could start a major forest fire.

Mrs. Harry Addison Hardage

Miss Patricia Ann Barwise became the bride of Harry Addison Hardage of Little Rock in an impressive double ring ceremony conducted Sunday afternoon, July 16 at the First Baptist Church in Ellettsville, Texas.

Parents of the bride are Mr. and Mrs. Tommy Barwise of Ellettsville. The groom is the son of Mr. A. L. Hardage of Hope and the late Dr. Hardage.

The Rev. J. C. Priestner, pastor, read the vows orally and the Rev. Charles Horton Jr. of Ft. Worth, Baptist missionary to the deaf, directed the couple in pledging the vows in sign language.

Traditional wedding music was provided by Miss Paulette Walton, organist, and Mrs. James Totten, vocalist.

The nuptial scene was illuminated with tiers of cathedral candles above the altar, flanked by tall baskets of white gladioli. A white satin prie dieu completed the scene, which was set against a background of greenery.

Given in marriage by her father, the bride wore a silk organza gown designed with a fitted bodice, elbow length sleeves and a cecolotte neckline framed with imported Alencon lace. The full, bouffant skirt, trimmed with appliques of Alencon lace, was floor length in front and swept into a full chapel train. Her fingertip veil was attached to a coronet of pearls and crystals and she carried a white orchid nestled in stephanotis and ruffled illusion with white satin streamers.

Matron of honor was Mrs. Jack Hollis of Ellettsville and bridesmaids were Mrs. Walter Barwise of Austin, sister-in-law of the bride, and Mrs. Don Holtzen of Burkburnett.

Thomas Barwise of Wichita Falls, twin brother of the bride, served as best man. Carter Hardage of Hope, brother of the groom, lighted the candles and served as groomsmen. Walter Barwise, brother of the bride, was a groomsmen. Ushers were Jack Hollis and James E. Totten of Ellettsville.

Following the ceremony, the bride's parents were hosts for the reception, held in Fellowship Hall of the church.

After a short wedding trip to the Ozark Mountains and a brief visit in Ellettsville, the couple is residing in Little Rock.

Integration Spreads at Little Rock

By THE ASSOCIATED PRESS

Four years after the first school was integrated under the bayonets of federal troops, Little Rock today is to desegregate a technical high school and four junior high schools with no disorder anticipated.

Police will stand guard as 40 Negroes enter Central and Hall high schools, previously integrated, and the five additional schools.

But officials saw no indication of recurrence of trouble such as marked the integration of Central High School in 1957 when Gov. Orval Faubus called out the National Guard to block integration and federal troops were sent in to enforce it. Faubus closed the schools in 1958, and police beat back a demonstration in 1959. There was no disorder last year.

Public schools will be integrated this week for the first time in Dallas and Galveston, Tex., and Daytona Beach, Fla. New Orleans will begin its second year of desegregation.

Police measures similar to those which accomplished orderly desegregation of four Atlanta high schools last week, will be in effect in New Orleans where angry demonstrations marked admission of four Negro girls to two elementary schools last year.

The New Orleans schools, largely boycotted by white students last year, will re-open on a desegregated basis Thursday. Less than 10 Negroes will be admitted to four other white schools at a later date.

Police barricades will go up around all six schools Thursday. The 1,100-man police force has been ordered on a 12-hour day and the Justice Department is sending 60 U.S. marshals to the city.

Dallas also has made extensive plans for beginning integration including police measures to quell any disturbance. Business and civic leaders also have carried on a campaign to create a climate of acceptance.

No trouble is anticipated in Florida as Miami desegregates nine more schools and two Negro girls begin attending school with white children in Daytona Beach today.

Shotgun Blast Fatal

EL DORADO, Ark. (AP) — Bobby Joe Frazier, 1, was killed Sunday night when a shotgun for which his parents were contenting discharged accidentally. Police Chief J.G. Thomas said. The parents, Mr. and Mrs. Sarah Frazier, were hooked on voluntary manslaughter charges and held in county jail pending filing of formal charges, Thomas said.

Drunk Youths Riot in Several Areas

By THE ASSOCIATED PRESS

Booze-fueled youthful hi jinks erupted into violent disturbances in a half dozen states over the Labor Day weekend. Police arrested hundreds, aided in some cases by fire hoses and snarling dogs.

Ocean City, Md.; Lake Geneva, N.Y.; Clermont, Ind.; Hampton Beach, N.H.; Wildwood, N.J.; Russell's Point, Ohio; and Falmouth and Hyannis, Mass., felt the brunt of the youthful violence.

At Hyannis, a few miles from where President Kennedy was weekend at his Cape Cod home, 140 young people were arrested for disorderliness or drunkenness. Another 32 were arrested at Falmouth.

The biggest disturbance was at Ocean City, Md., where 2,000 teenagers joined in a wild beach party — well-advertised in advance.

Youngsters driving into the resort earlier in the weekend had signs on their cars reading: "Fill your flask and come to the second annual Ocean City riot Sept. 1-3 at 9th St." There had been a riot there last Labor Day.

The crowd began gathering at 9 p.m. Sunday and grew noisier and rowdier as the night passed. Early Monday police moved in — first with pleas, then with fire trucks and finally with three "K-9 Corps" dogs on leashes.

The dogs did the trick. Hundreds of boys and girls scattered, leaving the beach strewn with shoes, floppy beach hats and other paraphernalia. Four didn't move fast enough, and were arrested.

A crowd of 1,500 at Lake George, N.Y., was the most riotous of the lot. A police captain described it as the worst he had seen in 11 years.

Fire hoses were brought into play as the screaming, beer-canting youths—many of them wearing college sweatshirts — poured out of taverns Monday. It took two hours to disperse them, and 60 were arrested.

The jails got so overcrowded at Wildwood, N.J., that officials had to borrow facilities in a neighboring town. At least 150 persons—many of them adults—were arrested in the resort area over the weekend, mostly for drunkenness and disorderly conduct.

Fines totaling about \$3,000 were levied during the weekend by Magistrate Louis J. Mattera of Wildwood.

The Mockingbird, official state bird of Arkansas and a noted singer, is as large as a Robin, but more slender and longer tailed.

The Girl Pursues Him

By HELEN WORDEN ERSKINE

Dear Helen: Help! It all began a year ago in our parish youth group. I was social chairman and a girl who'd about decided I was the boy for her was president. I thought her a swell girl and still do, but she wasn't my type. However, not wanting to appear rude, I dated her once or twice and— to my everlasting regret, developed a crush on her which ended when I started dating a second girl.

Both were written off my list by Christmas for several reasons. Well, here I was, now president of our group and the first girl social chairman, which meant I saw one another at our Saturday night meetings. Her obvious love made me both embarrassed and in a sense obligated. I sound like a conceited ass but I'm not. Believe me, in vain I've tried to accept her as a friend, not a sweetheart.

Pastors' School In Progress

CONWAY, Ark. (AP) — The 36th annual session of the pastors' school for ministers of the Little Rock and North Little Rock conferences of the Methodist Church convened here Monday night.

Dr. James S. Upton, head of the Department of Religion of Hendrix College, said attendance probably will reach 150 Monday.

Dr. George C. Baker, professor of evangelism at Perkins School of Theology at Southern Methodist University, Dallas, is the platform lecturer for the school.

Bishop W. Kenneth Pope of Little Rock, who returned Monday from Oslo, Norway, where he attended the world Methodist conference, will address the ministers at 11 a.m. Wednesday.

No Incident in School Opening

LITTLE ROCK (AP) — Four years ago, Gov. Orval E. Faubus' news conference the day after Labor Day was a hectic, controversial affair.

Faubus had called out the National Guard to block integration at Central High School and newsmen fired questions at him during the conference.

Today, desegregation was extended to four junior high schools and a third high school in Little Rock. Not a single question on integration was asked during Faubus' news conference.

Cash receipts from farm marketing in Arkansas during 1959, exceeded seven hundred million dollars.

heart. I am 18, she 19. I have dated many girls. I am the only boy she ever went out with. What can I do? —Despairing.

Dear Despairing: Being the only boy the poor girl ever dated, you've become a fixation in her mind. Convince her that you're not the only fish in the sea. Line up your friends; see that they give her a rush. Make her the most popular girl in town—and in the doing, you'll free not only her but yourself.

Dear Helen: I'm having mother-in-law trouble. We went to see her once a week but it seemed like we weren't wanted so stopped going. We'd bring our 2-year-old boy along and she did cotton to him but not me. My husband says I don't understand her, and thinks I'm in the wrong. What do you think? —Mrs. K.

Dear Mrs. K.: Mothers are prone to be overpossessive where sons are concerned. Possession is nine points of the law. You have your husband and she thinks she's lost her boy. Be tolerant. Take this into consideration. Write her a friendly note inviting her to Sunday dinner. Suggest that your husband call for her. Give them a chance to be alone. Get him to give her an occasional whirl — without you. A few months of this treatment and she'll be your friend as well as in-law.

Dear Helen: I am to be married this fall to a man only two inches taller than I. Mother insists I wear fancy, high-heeled slippers at the wedding. I think a dainty slipper with little or no heel would be more appropriate. My wedding gown is floor length so only the tips of the slippers will show. For the bride to appear taller than the groom on this day of days would be incongruous. Do you agree? —Shorty.

Dear Shorty: It's your wedding. Wear whatever you believe right for the occasion. A baby Louis XIV or Spanish heeled slipper would solve the problem and be pretty as well.

Send your problem to Helen Worden Erskine. Be sure to enclose a stamped, self-addressed envelope, and address her care of this newspaper. Helpful letters available. "Today's special" "Manners and Young People."

McCommon, Cullman Banana Supply, Ross Porta Plant Inc., James R. Long, Industrial Equipment Company, Valentine Trucking Co., C&R Transport Co.

Says Junior Needs Some Home Work

WASHINGTON (AP) - Should Johnny and Susie be given homework assignments in the first six grades of school?

"Yes," said 84 per cent of the teachers questioned in a recent poll by the Research Division of the National Educational Association. Ten per cent said "no." The rest were undecided.

However one third of the teachers were against homework assignments for pupils in the first three grades.

The teachers who said there should be homework figured about three hours a week was enough for the first three grades, and about five hours a week for grades four through six.

Results of the poll were published in the September issue of the NEA Journal.

Goalie Killed by Spectator

LISBON, Portugal (AP) - A goalkeeper was shot and killed by an angry spectator Sunday during a charity soccer match in Montalegre, northeast Portugal.

A free-for-all fight over a technical point started between the two teams, Montalegre and Sepiaos.

The spectator, identified by police as a Sepiaos supporter, shot Gaspar Goncalves, the Montalegre goalie. He wounded two other men and escaped.

K Back in Moscow

MOSCOW (AP) - Tanned and cocky after a three-week Black Sea vacation, Premier Khrushchev today toured the French exhibition in Moscow's Sokolniki Park.

Strolling up to the entrance with French Ambassador Maurice Dejean Khrushchev caught sight of the words "liberty, equality, fraternity" bannered on the main domed building built by the Americans for their fair in 1959.

"We know those words very well, but you have already forgotten them," he told Dejean.

Star Wants Son to Be Normal

By JAMES BACON AP Movie-TV Writer

HOLLYWOOD (AP) - Alan Ladd says he knows how to deal with child actors—because he learned the hard way.

It's important because Alan is the father of David Ladd, one of the hottest of the juvenile stars. "He could be working all the time," says his father, "but he only works in the summer vacation. I'll keep him normal or else. He doesn't know how much money he makes — and I'm really training him to be an Olympic diver."

In Alan's youth, he was one of the top divers in Southern California. An injury prevented him from trying out for the 1932 Olympics team.

"That was the greatest disappointment of my life. Now I find that David is an exceptional diver — and I've got three ex-Olympic stars coaching him."

Alan and Mrs. Ladd, the former actress Sue Carol, are trying to give the 14-year-old star of "Misty" and "Dog of Flanders" as near normal a school and home life as possible.

Admittedly, that's hard to do when your father is a star, your mother was one and the family has homes in Hollywood, Palm Springs and Lake Arrowhead.

"But there are two things in my favor," says Alan. "First I started out in this business very poor—even hungry. Second, I worked with Brandon de Wilde in 'Shane.'"

De Wilde, now grown up, was a child stage star who came to Hollywood for "Shane," the Western many believe one of the finest ever.

In the movie, Ladd played a gunslinging Sir Galahad who rode out of nowhere to help a dirt farming family fight off ruthless cattlemen.

"Possibly the most dramatic scene in the picture comes when, my job done, I leave the family to ride off again. I even cried in the scene—something I seldom, if ever, have done."

"The scene was tough enough but everytime I spoke my farewell to Brandon, he crossed his eyes and stuck his tongue out at me."

Ladd, who had scared off all the heavies in the picture, said he couldn't scare Brandon.

"So I called on his dad. I said: 'Make that kid stop or I'll beat him over the head with a brick. Brandon's father started booting Brandon across the set like a football — and there were no more crossed eyes.'"

President Back to Work on New Crisis

By WHITNEY SHOEMAKER

HYANNIS PORT, Mass. (AP) - President Kennedy transfers back to Washington today for a week of decision that could shape a new U.S. policy for handling the might of the atom.

The President scheduled a mid-morning takeoff from Otis Air Force Base after spending Labor Day weekend with his family on Cape Cod.

Kennedy managed to get in a cruise each afternoon, but the ceaseless problems of a president trailed him through the mist on Nantucket Sound.

With Mrs. Kennedy, daughter Caroline and his father, Joseph P. Kennedy, the chief executive was anchored off a spot called Dead Neck when the Cape Cod White House flashed word Monday afternoon that the Soviet Union had detonated its second nuclear device since breaking a three-year test embargo.

The 52-foot cruiser Marlin lifted anchor and returned to shore, where Kennedy received a full account of U.S. information on the test shot over central Asia from Maj. Gen. Chester V. Clifton, his military aide.

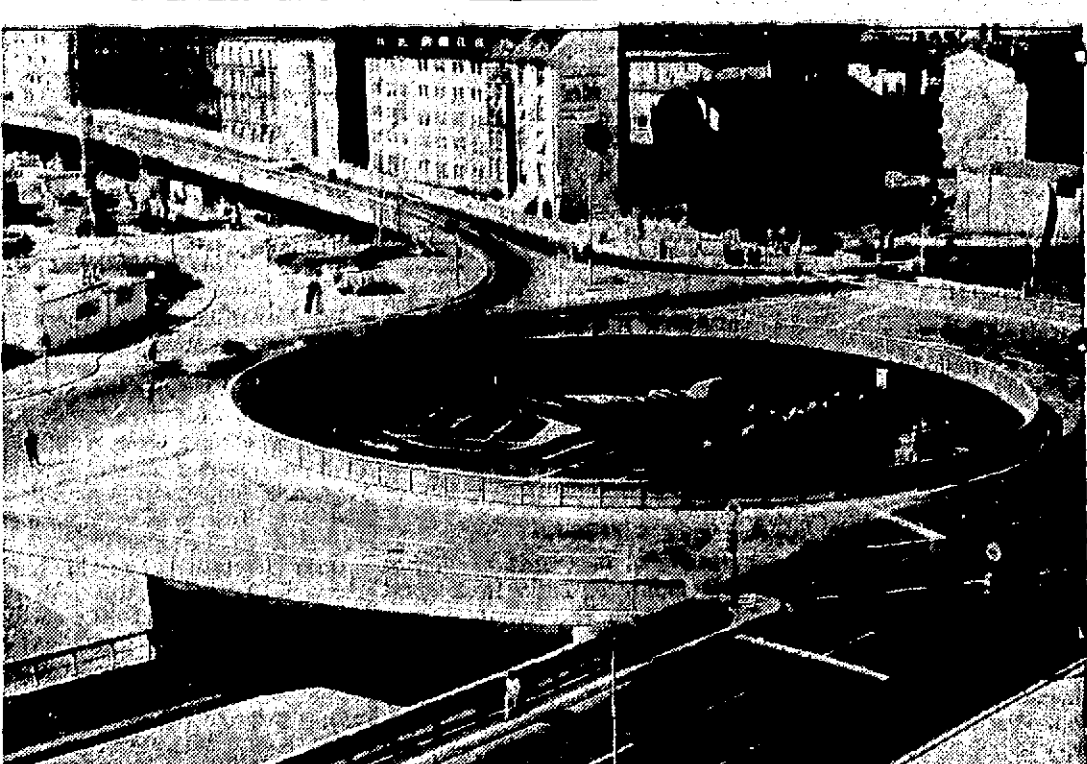

Kennedy held back immediate comment on the atmospheric test, which by all indications came little more than 12 hours after he and British Prime Minister Harold Macmillan had proposed a ban on overhead explosions that shower the air with lethal radioactivity.

Acting press secretary Andrew T. Hatcher said the Kennedy-Macmillan proposal was made to Khrushchev with the hope he would recognize the hazards of radioactive fallout and go along.

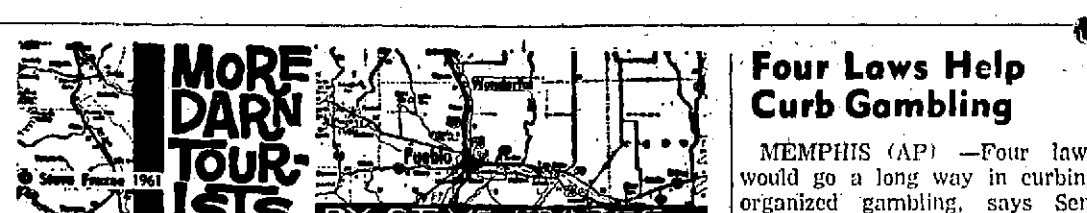

Kennedy, in weighing U.S. policy, looked for a detailed report on French President Charles de Gaulle's position. He reportedly believes France would abide by a ban on atmospheric tests if the Soviet Union accepts.

Bridge Falls, 62 Die

CALCUTTA, India (AP) - A bridge under construction in north Sikkim, bordering Chinese-occupied Tibet, collapsed Sunday killing 62 persons. The victims included 40 Tibetan refugees and two Indian army lieutenants.

NEW STORY ON TRAFFIC—Stuttgart, West Germany, has come up with a new idea in expediting traffic in a hurry. The idea is a second story traffic circle. Through traffic will pass on the ground level while the circular top story allows traffic to keep going without congestion. Between the two layers is a parking lot for more than 100 cars.

Four Laws Help Curb Gambling

MEMPHIS (AP) - Four laws would go a long way in curbing organized gambling, says Sen. John McClellan.

The head of the Senate Investigations Subcommittee, who stopped here en route to Washington Monday, listed these four measures:

—A ban of the sale and interstate transportation of crooked gambling devices.

—Government tolerance of wire-tapping to get at the big men in gambling.

—Stronger federal law to insure the collection of the 10 per cent tax on gambling.

—Enforcement of a delay of minutes on wire coverage of sports events to curtail a legal information source of bookies.

Mercury Is 101 in California

LOS ANGELES (AP) - Labor Day was memorable in Los Angeles for sparkling, smog-free skies and the highest temperature of the year.

The mercury rose to a sweltering 101 degrees at 2:35 p.m., equalling the all-time high for the date set in 1955. But the relative humidity reading was only 8 per cent.

confirmation." Mrs. Snoddy drew herself up. "You have the word of an alumnae—alumnae — of Crench. What more is required?"

Glubman wrote down the reservations.

Yankees Don't Need Homers to Win Pair

BY ED WILKS
Associated Press Sports Writer

The New York Yankees, with Mickey Mantle sidelined by injury and Roger Maris hitless, swept a Labor Day doubleheader from Washington 5-3 and 3-2 and gained a six-game lead—the biggest bulge of the season in the American League—over Detroit.

The second-place Tigers, who trailed New York by only 1½ games just a week ago, lost their fourth in a row 6-3 at Baltimore in the first game of a two-night pair. The second game was suspended by curfew after eight innings, with Baltimore leading 4-1.

The Chicago White Sox split a pair of 9-5 decisions in a day-night doubleheader at Minnesota. Cleveland beat Boston 7-2 and Kansas City divided a doubleheader with Los Angeles, winning 13-7 after the Angels had taken the opener 4-3.

In the National League, Cincinnati whipped Philadelphia 5-0, but the last-place Phils took the nightcap 5-3 and trimmed the Reds' lead over Los Angeles to two games. The second-place Dodgers defeated San Francisco 4-0. The Chicago Cubs beat Milwaukee 6-3, and St. Louis walloped Pittsburgh 9-4.

The Tigers out-hit Baltimore 9-7 in the first game, but blew a 2-0 lead when the Orioles tagged loser Paul Foytack (10-9) for four runs in the fourth inning. Jackie Brandt and Charlie Lau hit home runs in the rally, with Lau, a one-time Tiger, breaking a 2-2 tie with a two-run shot. Jack Fisher (9-11) was the winner, with relief help.

In the suspended game, to be completed tonight, errors by Rocky Colavito, Billy Brutin and Dick Brown of the Tigers led to the Orioles' first three runs off Ron Kline. Detroit scored off Billy Hoelt in the sixth on a single by Al Kaline and a double by Colavito.

Johnny Blanchard, subbing for Mantle in the Yankee outfield, was 3-for-3 in the opener and broke a 3-3 tie with a home run in the eighth inning off loser Bennie Daniels (8-10). Rookie Hal Reniff (2-0) was the winner with two innings of perfect relief. In the nightcap, Clete Boyer homered for the Yankees' first run and drove in the winning run in the seventh with a sacrifice fly as New York once again came from behind. Bud Daley (10-16) was the winner and Pete Burnside (1-7) the loser.

Mantle, whose 50 home runs leave him all even with the pace set by Babe Ruth when he hit a record 60 in 1927, may miss tonight's game because of a strained arm muscle. Maris, with 53 home runs, is five games ahead of Ruth.

Big innings decided each game at Minnesota. The Twins built a 9-0 lead in the opener for Al Schroll (2-3) on Harmon Killebrew's 39th home run, off loser Frank Baumann (9-12), and a six-run fourth inning. In the nightcap, Roy Sievers drove in two runs with a double as the White Sox came from behind against Jim Kaat (7-14) with five runs in the fourth for an 8-5 lead. Joel Horlen, just up from the minors, was the winner in relief.

Willie Kirkland drove in two runs with a pair of singles and grant for the Indians while Jim Grant (14-8) and Frank Funk held the Red Sox to seven hits. Ike Delock (6-8) was the loser.

The A's, held to six hits as Jack Spring (1-0) beat Jim Archer (8-12) in the opener, collected seven hits in an 11-run fifth inning in the nightcap that included home runs by Norm Siebern and reliever Joe Nuxhall (5-8). Art Fowler (5-7) was the loser.

Batting (based on 325 or more at bats) — Cash, Detroit, .364; Howard, New York, .357.

Runs—Mantle, New York, 116; Maris, New York, 112.

Runs batted in—Gentile, Baltimore, 127; Colavito, Detroit, 125.

Hits — B. Robinson, Baltimore and Cash, Detroit, 166; Kaline, Detroit, 164.

Doubles — Kaline, Detroit and Kubeck, New York, 35; B. Robinson, Baltimore and Siebern, Kansas City, 30.

Triples — Wood, Detroit, 11; Lumpe, Kansas City, 9.

Home runs—Maris, New York, 53; Mantle, New York, 50.

Stolen bases—Aparicio, Chicago, 45; Howser, Kansas City, 36.

Pitching (based on 12 or more decisions)—Ford, New York, 22-3; Terry, New York, 12-2, 5.57.

Strikeouts—Pascual, Minnesota, 122; Ford, New York, 177.

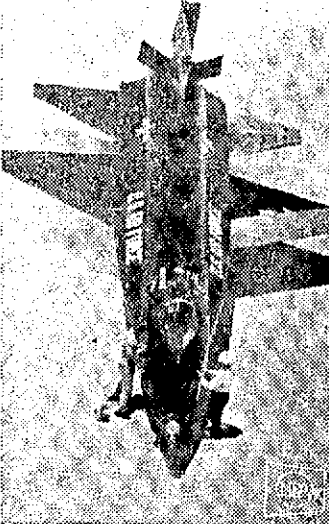

National League
Batting (based on 325 or more at bats) — Clemente, Pittsburgh, .362; Pinson, Cincinnati, .343.

Runs — Mays, San Francisco, 109; Robinson, Cincinnati, 107.

Runs batted in — Cepeda, San Francisco, 120; Robinson, Cincinnati, 115.

Hits — Pinson, Cincinnati, 135; Clemente, Pittsburgh, 132.

Doubles—Aaron, Milwaukee, 33; Pinson, Cincinnati, 30.

BACK FROM LAUNCH—A hovering helicopter caught this unusual view of the X-15 research rocket plane. Fore-shortening of wings and tail, plus shadow on ground, make it look like a barbed missile. Ground crewmen are just starting to open the canopy after a flight at Edwards AFB, Calif.

Southern Locks Gates on Season

By ROSS M. HAGEN
Associated Press Sports Writer

Gates on Southern Association baseball parks have been padlocked for another year and possibly forever as far as baseball is concerned in Atlanta.

The Los Angeles Dodgers have said they will not field a Class AA team in Crackerland next year.

In the league finales Monday night, champion Chattanooga bowed to Shreveport 9-4, Birmingham whipped Macon 12-3, Atlanta took the measure of Mobile 11-1 and Little Rock dumped Nashville 4-2 in 10 innings.

Chattanooga refused to take the last game seriously, having clinched the flag the night before. The Lookouts used nine pitchers—only two on the mound. The Sports collected 20 safeties and were never behind after the second inning.

A pair of two-run triples, by Leo Smith and Stan Palys, were featured in Birmingham's winning attack against Macon. But the Stolen bases—Aparicio, Chicago, three straight and killed Birmingham's chances of winning the flag.

Little Rock and Nashville with a two-run rally in the 10th inning. The surge was started by Ed Richardson with a leadoff double. An infield out, a walk, a single and a sacrifice fly produced the runs.

Atlanta pushed across five runs in the first inning and that was more than enough cushion for right-hander Jack Smith.

Medical Center Grant

WASHINGTON (AP) — The Public Health Service Monday announced federal grants totaling \$3,332,116, including \$200,000 for the University Medical Center in Little Rock. The grants are for the establishment of 13 new general clinical research centers in research institutions.

Les, 18-4, 3.18; Miller, San Francisco, 10-3, 7.60.
Strikeouts — Koufax, Los Angeles, 24; Williams, Los Angeles, 164.

Dodgers Win, Move Up on Redleg Leaders

By ED WILKS
Associated Press Sports Writer

Don Drysdale blanked San Francisco on two hits as the second-place Los Angeles Dodgers beat the Giants 4-0 Monday night and moved within two games of Cincinnati in the National League race.

The Reds split a doubleheader at Philadelphia, winning 5-0 before the last-place Phils took the second game 5-3 for their second success in 20 games with Cincinnati.

The Chicago Cubs beat Milwaukee 6-2 and St. Louis rapped Pittsburgh 9-4.

In the American League, the New York Yankees beat Washington twice, 5-3 and 3-2, and gained a six-game lead. Baltimore defeated second-place Detroit 6-3 in the opener of a two-night pair and led 4-1 in the second game when it was suspended because of curfew after eight innings. The Chicago White Sox and Minnesota split 9-5 decisions. Cleveland beat Boston 7-2 and Kansas City divided a doubleheader with Los Angeles, winning 13-7 after the Angels took the opener 4-3.

Drysdale (11-9), a big, side-arming right hander, beat the Giants for the first time since last Sept. 6. He walked three struck out three and gave up only a pair of singles.

The Dodgers, held scoreless for 14 2-3 innings so far this year by Juan Marichal (13-10), were off and running early against the Giants' right-hander. Maury Wills singled, stole second and came around with the first run on a fly and infield out in the third inning. Then Tommy Davis reached base on an error in the fourth state second, sent to third on a second error and finally stole home.

Duke Snider then chased Marichal with a two-run homer in the fifth inning. It was the 300th home run of the Duke's career and gave him 1,224 RBIs, good for 10th place on the all-time list.

Ken Johnson (6-2) a right hander who had a 16-1 record for three years in the American League with Kansas City, pitched the first shutout of his major league career by checking the Phils on four hits in the opener. Ed Kasko drove in three of the Reds' runs, two with a first-inning home off loser Frank Sullivan (3-14).

Art Mahaffey (10-18) then stopped Cincinnati on eight hits in the second game. The Phils wrapped it up with two runs in the seventh, scoring the clincher on a sacrifice fly by Wes Covington. Ken Hunt (9-10) was the loser.

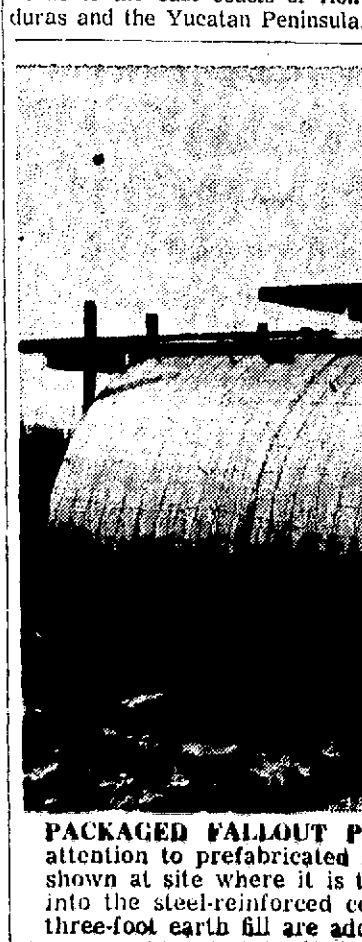

Ernie Banks' two-run homer pulled the Cubs from behind in the third inning against Carl Willey (5-10). Southpaw Jack Curtis (10-10) blanked the Braves on six hits after they scored twice in the first on Hank Aaron's double and a single by Joe Adcock.

The Cardinals built a quick 5-0 lead against loser Earl Francis (2-6) and put it out of the Bucs' reach when Bill White hit a grand-slam homer in the sixth inning. Ray Sadecki (13-7) was the winner although giving up a three-run homer by Hal Smith.

New Storm Brews, Betsy Harmless

MIAMI, Fla. (AP) — Tropical storm Carla was expected to dump heavy rains on northeastern Nicaragua and Honduras today while Hurricane Betsy whirled harmlessly in the North Atlantic.

The Miami Weather Bureau said conditions in the western Caribbean were unfavorable for Carla to grow into a hurricane but the season's third tropical storm would bring heavy rains and high winds to the east coasts of Honduras and the Yucatan Peninsula.

PACKAGED FALLOUT PROTECTION—Renewed interest in fallout protection calls attention to prefabricated shelters now in the market. One model, pictured, above, is shown at site where it is to be installed. Air filtering units and steel bunks are built into the steel-reinforced concrete shell. Once lowered into an excavation, concrete and three-foot earth fill are added. Photo, Permanent Company magazine, "This Earth."

Broyles Satisfied With Showing

By WICK TEMPLE
Associated Press Staff Writer

FAYETTEVILLE, Ark. (AP) — Monday the Arkansas Razorback offense got a chance to show what it could do. Today, the defense gets its opportunity.

Coach Frank Broyles said he was satisfied with play executions in a scrimmage against the T team, in which halfback Lance Alworth twice ran more than 50 yards for touchdowns.

The passing looked good, too. Quarterback George McKinney tossed a 30-yard scoring pass to sophomore end Jim Grizzle. And Billy Moore tossed a 20-yard touchdown pass to end Jim Collier.

Halfback Paul Dudley ran 50 yards for a touchdown.

"For this stage I thought the execution of plays was pretty good," Broyles said. "Our blocking wasn't as good as it should have been."

Thursday's offensive scrimmage was filmed, as will be today's defensive scrimmage.

Stewart in Victory Over Palmer

DALLAS, Tex. (AP)—The golf tour rolled on to Denver today but the \$4,300 first money in the \$30,000 Dallas Open stayed home—in the jeans of home pro Earl Stewart, who won a duel with golf's great man, Arnold Palmer.

Stewart, 39, a pro who once was a terror of the tour, shot a steady 1-over-par 71 Monday to win with 278 for 72 holes. It bested Palmer, Doug Sanders and Gay Brewer, who had varying types of tough luck, by a stroke.

Palmer, who led by two strokes going into the final nine holes, floundered with a double bogey on the 15th hole and took a 71 for 279 and a tie for second.

Sanders made the mightiest run for the money—he shot a 4-under-par 66, the lowest round—but a bogey on 16 where he misjudged his club and overshot the green lost him the tournament.

Brewer had a closing 67 and would have tied for first place but called a penalty stroke on himself when he moved the ball in the 14th rough.

Stewart, who became the first home pro to win a PGA tour tournament on his own course—the 6,900-yard Oak Cliff Country Club—isn't playing any more tournaments this year.

Patterson's Title Studied by NBA

HERSHEY, Pa. (AP) — The tough question of whether to strip Floyd Patterson of his heavyweight title for failing to defend it since March 13 is one of the top items of the 42nd annual National Boxing Association Convention.

An NBA rule requires division champions to defend their titles against a top challenger within six months of their last defense.

For Patterson, that would be Sept. 13. He is scheduled to fight Nov. 13 against Tom McNeely in Boston, but the NBA doesn't consider McNeely a top contender.

A ring source in Montreal Monday night said the NBA has named Canadian champion Bob Cleroux as a valid challenger.

20 Workers Are Killed in Mexico

HUAMANTLA, Mexico (AP) — A truck loaded with federal power commission workers smashed into a store front Monday, killing 20 persons, police reported.

Police said the truck's brakes apparently failed as it entered Huamantla on a down grade and the heavy vehicle was traveling about 50 miles an hour when it hit. The driver was killed.

In the United States
around 400 persons are killed each year by lightning and an estimated 1,000 injured. Try to stay indoors during a thunderstorm. If you're caught in the open, two things to avoid are isolated trees and wire fences. One of the safest places during lightning is a metal enclosure—your own car, if it has a metal top.

Davis Cup Situation Is Bleak

By WILL GRIMSLEY
Associated Press Sports Writer

FOREST HILLS, N.Y. (AP) — "Our Davis Cup situation is pretty bleak—we were hard up for players even before Dennis Ralston was suspended."

That was the mournful comment of David Freed, the U.S. captain, after watching his ace player, Chuck McKinley of St. Louis, take a thrashing in the National Championships from perennial spoiler, Whitney Reed.

"We may have to draft some of our older players," Freed added. "We could do worse."

Topping such a draft list certainly would be Reed, 29, from Alameda, Calif., who beat McKinley, 6-3, 9-7, 3-6, 6-3, and Vic Seixas 38, who had match point on seventh-seeded Jon Douglas before howling in a bitter struggle 6-4, 2-6, 2-6, 9-7, 6-4.

Freed said he and the U.S. Lawn Tennis Association bigwigs still had hopes of getting the hot-headed Ralston back in the fold.

"Maybe the executive committee, which meets Friday, will give him only a short suspension and he can play on the cup team," the captain added.

Seixas, a Philadelphia business man, probably would not be available for Davis Cup duty but the same couldn't be said of Reed, an unimpaired young man of the Art Larsen stripe.

"They know where to find me," Reed said after beating McKinley, "but I don't think they'll get that hard up."

Asked if it were true he trained on a diet of beer and hot dogs and late hours, the blond Californian quipped: "I wouldn't include the hot dogs."

Labor Day Fans Total 180,984

By THE ASSOCIATED PRESS

Major league baseball drew 180,984 fans on Labor Day, almost 34,000 less than attendance figures for a year ago despite a double-admission doubleheader.

The American League, topped by the 34,683 who sat in for the Washington-New York doubleheader at Yankee Stadium, was 106,413. That included 52,576 for the day-night separate admission doubleheader between Chicago and Minnesota at St. Paul-Minneapolis.

The National League drew 74,535, with the largest crowd, 32,109 attracted by the Los Angeles-San Francisco night game at Los Angeles.

Last year, the American League drew 93,254 and the National 121,633 for a combined total of 214,907.

Petit Jean State Park has a 75-foot waterfall.

Alworth Looks Good in Practices

By THE ASSOCIATED PRESS

Lance Alworth, the Arkansas halfback with the talented gait, is taking up just where he left off, only more so.

Alworth ripped off a couple of 50 yard touchdown runs Monday as Arkansas scrimmaged for the camera. There were other good showings and Coach Frank Broyles said he was pleased very much with the Razorback offense.

Baylor evidently also thinks its offense needs nothing. Because the Golden Bears are giving first attention to defense Ronnie Bull and Jim Bowden are the corner backs in the Baylor defense.

The sports writers looked over Rice Monday and again heard from coach Jess Neely that the Owls would be strong this fall.

He reminded the boys of press that he said the same thing last year. "But the difference is that this year people are believing me."

The writers went to Texas A&M Tuesday and the Aggies put on a scrimmage for their benefit. Coach Jim Myers gave the Aggies two long workouts Monday.

Texas coach Darrell Royal was working at developing the punting game. Royal didn't think his boys were doing very well but the reason was that substitutes were trying.

The passing game perked up in the Southern Methodist camp with Harold Morgan doing the throwing and Tommy Brennan the catching.

Injuries were plaguing Texas Christian where first string end Lynn Morrison was knocked out of action for at least two weeks with a knee injury. Three sophomores also were hurt.

Texas Tech coach J. T. King cut one practice a half-hour. "We felt that three and a half hours work is enough time when the squad is as small as ours," said King. Halfback Bill Worley, a sophomore joined the squad and that brought the number of candidates to 49.

Arizona Club Wins

PIASTINGS, Neb. (AP)—Strong pitching and timely hitting spelled a 4-1 victory for Phoenix over favored Cincinnati and brought the Arizona club the championship of American Legion junior baseball Monday night.

There are at least 47 kinds of Oak trees in Arkansas.

In the first organized study of fish varieties, Arkansas
